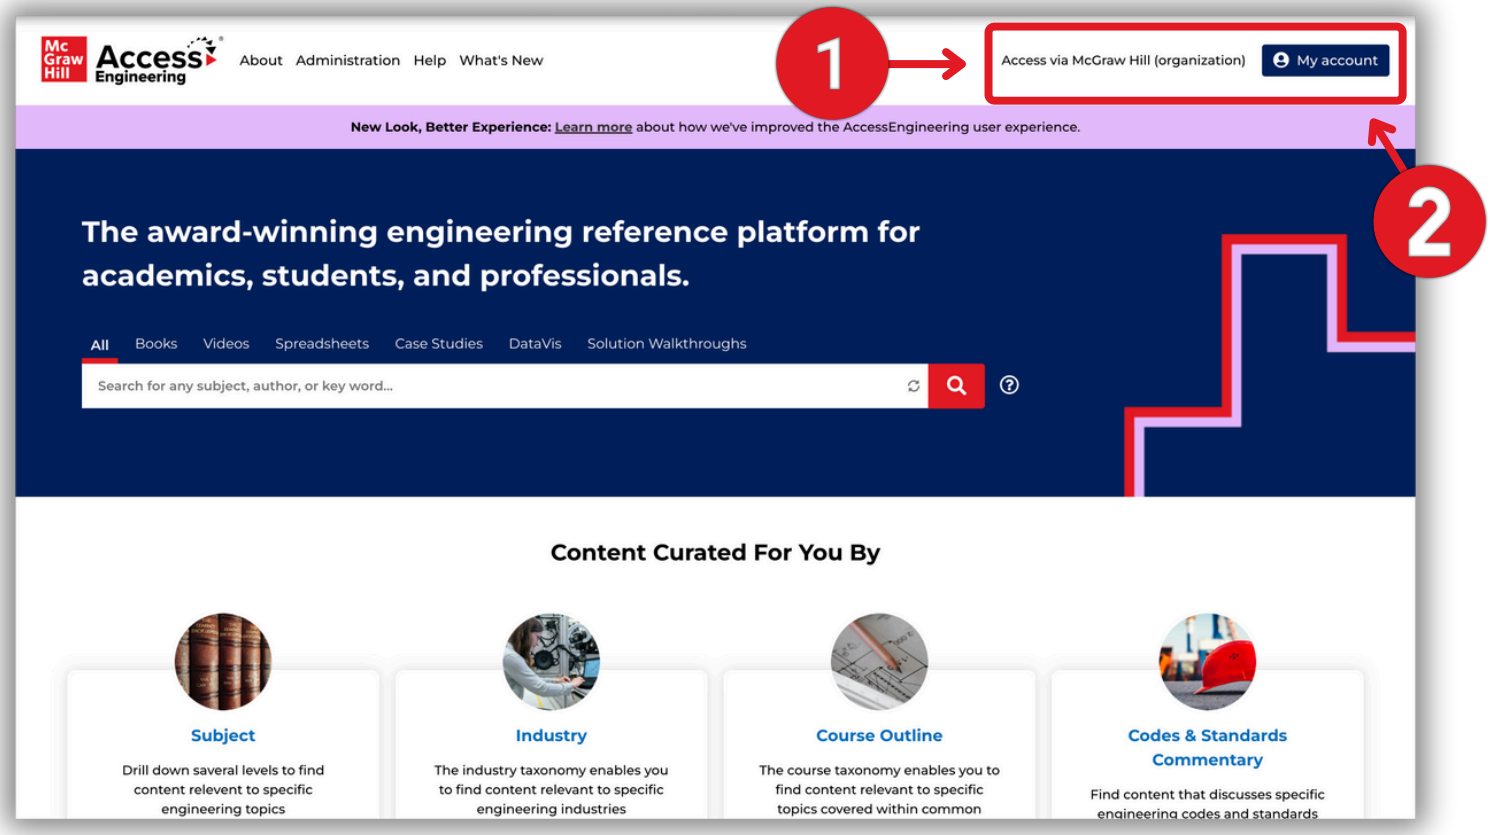
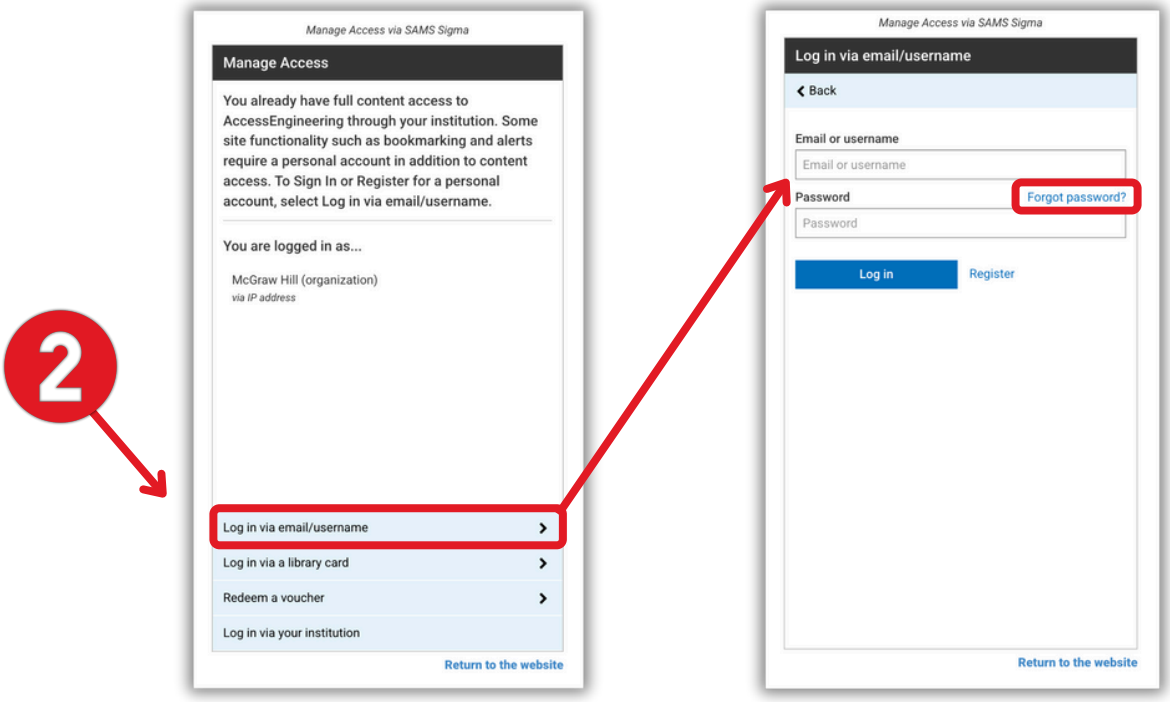
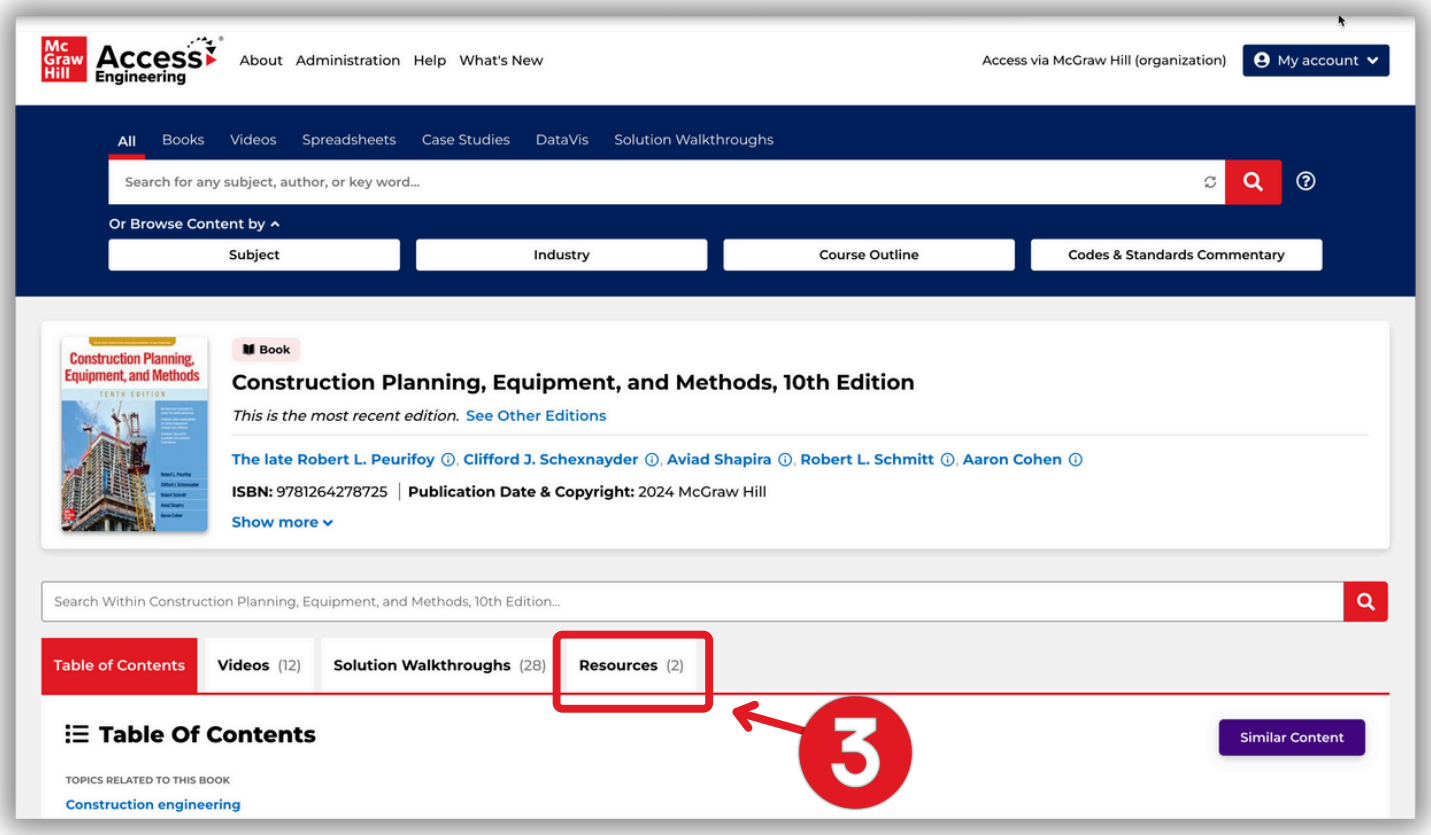
Instructor Resources Guide





[Instructor Resources Available on AccessEngineering]



Directions to Access Instructor Resources:

1. **Log in** to AccessEngineering through your library. You should see “Access via” followed by your institution’s name.
2. Use the blue **“My Account”** button in the top right corner of the site to log in to your personal account.
   - Select **“Login via email/username”** and enter your email address
   - Use the **“Forgot password?”** link if you need to reset your password
3. Once you are logged in, **navigate** to the title of interest.
   - You should now have access to the linked resources on the **“Resources”** tab
   - You can also access any instructor resources for any title on the site

*** Please Note: You must “Request instructor rights” to be added to your Access account prior to utilizing the steps of this Guide. Otherwise, you will see the message below. Simply follow the prompts to request rights.**
